Purpose of the policy

The purpose of this policy is to identify the roles, responsibilities and processes and confirms that St. John's School (74089) agrees will *“submit any applications for special consideration where candidates meet the published criteria.”*

[JCQ 'General regulations for approved centres' Chapter 5]

The policy is annually reviewed to ensure that processes are carried out in accordance with current editions of relevant JCQ publications.

What is special consideration?

“Special consideration is a post-examination adjustment to a candidate’s mark or grade to reflect temporary illness, temporary injury or other indisposition at the time of the assessment, which has had, or is reasonably likely to have had, a material effect on a candidate’s ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Special consideration can only seek to go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in examinations. It cannot remove the difficulty faced by the candidate. There will be situations where candidates should not be entered for an examination. Only minor adjustments can be made to the mark awarded because to do more than this would jeopardize the standard of the examination.”

[JCQ ‘A guide to the special consideration process’ Chapter 1]
