1 February 2016

Dear Parents / Guardians

Tuck Shop

Throughout the year we have been working hard to improve the range and quality of food provided by the school tuck shop. The students have been a great help with this by providing plenty of excellent 'customer' feedback. If you would like to contribute to this discussion with any ideas as to what products you would like to see sold each day, please contact me using the details below.

Obviously we try hard to find the best products and the best prices from a variety of local providers, which means we are able to keep the cost of tuck for the students as low as possible. Currently we are working on the students spending a budget of around €2.50 per day. It is our intention to introduce more warm food such as soup (for the colder months), once the equipment we have on order arrives. When this new range is added to our menu we will be adjusting the prices a little to reflect the additional costs incurred. However we still aim to keep the cost for the students down to an anticipated spend of around €3 per day. This compares very favourably with the cost of school diners in the UK.

If you would like to discuss any issues or ideas about this slight increase in prices then please do contact me using the details below.

We will continue to ensure that the students receive excellent tuck at, what we hope you will agree excellent prices.

Yours sincerely

Andrew Armstrong
Vice Principal
