Dear Parents

St John's and King Richard's School Federated Ski Trip 2017

The PE Department are pleased to announce that planning is underway for a federated Ski trip in February 2017.

The trip will be organised through 321 SKI, a UK based company. The resort we have chosen for this fantastic educational trip is that of Sestriere, Italy. It is part of the 440km Milky Way and offers exceptional skiing for all levels of abilities for the whole week; the village itself hosted the 2006 Winter Olympics.

This package would include:

- Flights (easyjet)
- Transfers to and from the airport
- Accommodation in a highly respected resort
- 4 hours of lessons a day from a qualified English speaking instructor throughout the week.
- Ski Passes for 6 days skiing
- Three meals a day plus refreshments
- Entertainment in the evenings (sports, ice skating, tobogganing, disco)
- Hire of equipment (including helmet, skis and boots)
- Tour kit (t-shirt and / or jumper)

The trip will depart on 15 February 2017 and return on 22 February 2017, flying from Larnaca Airport.

This amazing experience is open to **all current** year 6,7,8,9 and 11 students. Students currently in years 10 & 12 who will be using skiing or leading as an assessment criterion will also have the opportunity to participate.

We have decided to run this trip across both our federated schools, St John's and King's Richards, in order to allow all students to experience this memorable opportunity.

This package will include everything that is needed in order to have a fantastic, enjoyable skiing trip.

The cost is €1450 however this is based on a certain amount of students and therefore a final price can be confirmed once interest has been shown and deposits have been paid.

We appreciate that this is a lot of money and that is why we have decided to start organising it now to allow for manageable monthly payments to be made (approx. €130) a month)
