What are access arrangements?

“Access Arrangements

Access Arrangements are pre-examination adjustments for candidates based on evidence of need and normal way of working. Access Arrangements fall into two distinct categories: some arrangements are delegated to centres; others require prior JCQ^{CIC} awarding body approval.

Access Arrangements allow candidates/learners with special educational needs, disabilities or temporary injuries to access the assessment without changing the demands of the assessment. For example, readers, scribes and Braille question papers. In this way Awarding Bodies will comply with the duty of the Equality Act 2010 to make 'reasonable adjustments'.

Reasonable Adjustments

The Equality Act 2010 requires an Awarding Body to make reasonable adjustments where a disabled person would be at a substantial disadvantage in undertaking an assessment.

A reasonable adjustment for a particular person may be unique to that individual and may not be included in the list of available Access Arrangements.

How reasonable the adjustment is will depend on a number of factors including the needs of the disabled candidate/learner. An adjustment may not be considered reasonable if it involves unreasonable costs, timeframes or affects the security or integrity of the assessment.

There is no duty on the Awarding Bodies to make any adjustment to the assessment objectives being tested in an assessment.”

Purpose of the policy

The purpose of this policy is to confirm that St. John's School (74089) fulfils *“its obligations in respect of identifying the need for, requesting and implementing access arrangements.”*

[JCQ 'General regulations for approved centres'Chapter5]

This document is further referred to in this policy as [GR](#)

The policy is annually reviewed to ensure that arrangements are carried out in accordance with the current edition of the JCQ publication

*‘Adjustments for candidates with disabilities and learning difficulties
Access Arrangements and Reasonable Adjustments
General and Vocational qualifications’*

This publication is further referred to in this policy as [AA](#).

Identifying the need for access arrangements

Roles and responsibilities

The head of centre will:

- be familiar with the contents, refer to and direct relevant centre staff to annually updated JCQ publications including [GR](#) and [AA](#)
- ensure that processes for identifying the need for access arrangements and reasonable adjustments (referred to in this policy as 'access arrangements') for individual candidates is clearly defined and documented
- ensure that staff roles and responsibilities in identifying, requesting and implementing access arrangements are clearly defined in this policy
- ensure a qualified specialist assessor is appointed and that evidence of the appropriate qualification(s) of the person(s) appointed is held on file
- ensure that the assessment process is administered in accordance with the regulations
- ensure a disability policy showing the centre's compliance with relevant legislation is in place

The special educational needs co-ordinator (SENCo)/specialist teacher will:

- be familiar with the contents, refer to and direct relevant centre staff to annually updated JCQ publications including [AA](#)
- lead on the access arrangements process
- if not the qualified specialist assessor, will work with the person appointed, on all matters relating to assessing candidates and the administration of the assessment process
- ensure that all assessments carried out and arrangements put in place comply with JCQ and awarding body regulations and guidance
- ensure arrangements put in place reflect a candidate's *normal way of working*¹ within the centre
- ensure the need for access arrangements for a candidate will be considered on a subject by subject basis
- present when requested by the JCQ Centre Inspector, evidence of the specialist assessor's qualification

In addition the SENCo/specialist teacher will:

- provide and annually review a centre policy on the **use of word processors** in exams and assessments
- ensure criteria for candidates allowed **separate invigilation within the centre** is clear, meets the requirements of JCQ access arrangements and best meets the needs of individual candidates and remaining candidates in main exam rooms

Teaching staff will:

- inform the SENCo/specialist teacher of any support that might be needed by a candidate
- provide information to evidence the *normal way of working* of a candidate
- support the SENCo/specialist teacher as required in identifying the need for access arrangements

The specialist assessor will:

- conduct appropriate assessments to identify the need(s) of a candidate
- provide appropriate evidence to confirm the need(s) of a candidate
- complete appropriate documentation as required by the regulations of JCQ and the awarding body

¹Normal way of working as defined by JCQ

“The arrangement(s) put in place must reflect the support given to the candidate in the centre†, e.g.

- *in the classroom; or*
- *working in small groups for reading and/or writing; or*
- *literacy support lessons; or*
- *literacy intervention strategies; and/or*
- *In internal school tests and mock examinations.*

This is commonly referred to as ‘normal way of working’. For candidates with learning difficulties this is typically the background information recorded with Section A of Form 8.

†The only exception to this is where an arrangement is put in place as a consequence of a temporary injury or impairment (see section 8.3, page 89).”

[AA 4.2.5]

The assessment process

The assessment process is led by the SENCO and guided by Examinations Officer. Any formal assessment required to support a request for access arrangements is conducted by Senior Educational Psychologist from Pupil and Family Services. His involvement is requested by SENCO, parents and pupils as appropriate (Simon Worker - PLY01604)

Identifying the needs of candidates

The centre uses a range of identification tools to identify the need for access arrangements. This includes baseline assessments of literacy and numeracy, ongoing teacher assessment. Use of appropriate access arrangements within a classroom setting. In addition to this formal psychometric assessment is used and conducted by an appropriately qualified individual.

Centres need to bear in mind all relevant JCQ regulations and guidance provided in [GR](#) and [AA](#) , including:

“The centre agrees to:

- *ensure that it will recruit with integrity with regard to both general and vocational qualifications;*
- *ensure that learners will in an accessible format have the correct information and advice on their selected qualification(s) and that the qualification(s) will meet their needs. The recruitment process **must** include the centre assessing each potential learner and making justifiable and professional judgements about the learner’s potential to successfully complete the examinations/assessments and achieve the qualification(s). The centre’s assessment **must** identify, where appropriate, the support that will be made available to the learner to facilitate access to examinations/assessments”*

*“...ensure that where a candidate with a learning difficulty requires an assessment of his/her needs, he/she is assessed by an appropriately qualified specialist assessor **as appointed by the head of centre...**”*

By detailing the assessment process, you should be confirming

“that the assessment process is administered correctly...”

Recording evidence of need

Recording evidence is an integral part of the schools work. Records are kept from work a student may have done in the classroom, information gleaned for mock examinations, reports from specialists and relevant JCQ documentation.

JCQ forms might include, for example:

- Form 8 – Application for access arrangements
- Form 8A – Assessing candidates for access arrangements
- Form 9 – Arrangements permitted by the centre
- Form 11 – Notification of access arrangements Entry level
- Form 12 – Application for access arrangements Entry level
- Form VQ/EA – Application for reasonable adjustments; External assessments – Vocational qualifications
- Form VQ/IA - Application for reasonable adjustments; Internally assessed units – Vocational qualifications

Gathering evidence of normal way of working

Evidence that the access arrangement is part of normal working practice is gathered from subject specialists, whole school information and class based work examples.

Disability policy

School Website, Google Share Drive and AA File in Exams Office.

*“A **written** disability policy setting out how the centre seeks to comply with the Equality Act 2010† and fully supporting disabled candidates **must** be available for inspection purposes.*

†or any legislation in a relevant jurisdiction other than England and Wales which has an equivalent purpose and effect”

Word processor policy

Google Shared Drive, AA File in Exams Office.

Separate invigilation within the centre
