

Humanities minutes 6/2/17

1. Draft annual plan **Agreed following alterations**
2. KS3 assessment progress review materials for DB meeting and further discussion as required

Dan wants to have a meeting with me about how our use of KS3 AFL sheets is progressing. Could I have some (2 or 3) examples from each teacher of pupil work showing how the AFL sheets are used for feedback/improvement. Also could I have a short note - no more than a paragraph needed - from the Heads of subject (SD and MOS) about how we have, and continue to develop, KS3 assessment over the last couple of academic years. I DON'T need this for the meeting but if you give me something by the end of Friday next (4/2/17) that would be great.

Thanks to MOS and SD
