Dear parent or carer

Inspection of St John's School by Ofsted

We have just told your child's school that we will inspect it on 27 June 2017. The lead inspector will be Mrs Sally Smith, Her Majesty's Inspector. We are writing to you because we would like to know what you think about the school. Please take a few minutes to read the leaflet which came with this letter. It explains why we inspect schools, and what happens during an inspection.

Your views about the school are important to us

If you are a registered parent or carer of a pupil at the school, you can tell us your views about the school by completing Ofsted's online survey, Parent View, at: www.parentview.ofsted.gov.uk.

Parent View asks for your opinion on 12 aspects of your child's school, including the progress made by your child, the quality of teaching, how the school deals with bullying and poor behaviour. It also provides a free-text box for you to make additional comments if you wish. The inspectors will use the online survey responses when inspecting your child's school. Written comments can also be sent to the school in a sealed envelope, marked confidential and addressed to the inspection team.

To register your views, you will need to provide your email address, which will be held securely. It will not be used for any purpose other than providing access to the online survey. Neither schools nor Ofsted will have access to any email addresses.

Please complete the online survey by **9am** on 26 June 2017 as this will give the inspection team more time to consider your views. However, we will consider all online responses that are completed during the inspection, although the free-text box facility will not be available after noon on 27 June 2017.

Speaking to an inspector

If you are unable to complete the online survey, it may be possible to speak to Her Majesty's Inspector during the inspection, for instance at the start of the school day, or to pass on messages to if you are unable to speak to the inspector in person. Inspection administrators will be happy to make the necessary arrangements. You can contact the administrators on 03000131244. Her Majesty's Inspector will be pleased to receive your comments but cannot deal with complaints about individual pupils or settle disputes between you and the school.

Thank you in advance for taking the time to complete the online survey.

Yours faithfully

Zoe Taylor
Inspection Support Administrator

As well as completing the survey, you can use Ofsted's online survey, Parent View, at any time during the school year to give Ofsted your opinion of your child's school. You can also use Parent View to see survey results for schools across England.
