9 September 2016

Dear Parents and Students

Welcome back for the start of a new academic year. We are happy to be seeing so many current students return and delighted to welcome many new students to both schools. The hard work of staff and students gave us brilliant GCSE and A Level results last year. All of our Year 13 students gained their first choice places at University and our GCSE results improved by 28% A*-C at King Richard School, giving us a A*-C pass rate of 82%! At St John's School we saw a rise of 8% to give us an A*-C pass rate of 82%! On the reverse of this letter is an 'Exam Success Bulletin' that gives you more details about our students' outstanding performance. I hope that you have an opportunity to read the School Magazine published at the end of last year; this celebrates many of the extra-curricular activities and clubs that we arrange to enrich the educational experience of our young people. If you missed it, it is available to view on our website under the 'News' tab.

Our Core Values of 'Excellence, Learning and Leadership' underpin all that we do and students are rewarded with ePraise House points when they demonstrate these values. We are proud of how smart and well behaved our students are and every classroom has a poster that reminds students how they will be rewarded, but also what will happen if their behaviour is below our expectations. Working together with parents, we know that an excellent environment for learning will continue at both schools this year. If you have any concerns or issues, please do not hesitate to contact me or a member of my staff. All staff contact details can be found on our websites under the 'Contact Us' tab; you can email, call or make an appointment for a face to face discussion.

We are excited to welcome new full-teachers to both schools this year;

Ms A Hill – MFL, King Richard School
Mr J Greenwell – Music, King Richard School
Mr S Hill – History, King Richard School
Miss K Pettit – Science/Physics, St John's School

In order to keep up to date with what is going on in school please 'like' and follow our Facebook pages (King Richard School Cyprus and St John's School Cyprus) and Twitter accounts (@KRSCyprus and @SJSCyprus).

I am looking forward to another great year for all in our school communities. Thank you for your continued support.

Yours sincerely

Dan Browning
