12 June 2017

Dear Parents,

We would like to invite all students that have expressed an interest in studying at St John's Sixth Form to an induction and taster event on Monday 3rd and Tuesday 4th July. We will be holding these sessions over two days for all students who would like to join us in September 2017.

Our Induction and Taster sessions will enable all students to meet one another, meet the teachers in their specialised subjects and to attend taster lessons in the subjects they have chosen or to try something new. There will be some activities to encourage students to mix with others and to find out a little more about themselves as independent learners. We are hoping that the army will come in to run a team-building session on the Monday,

In addition there will be the opportunity to talk to current Sixth Form students about the demands of the courses, to explore the expectations at this level and to receive advice on how to make the transition from GCSE to GCE. Form tutors will be involved too so we can alleviate any concerns and ensure that any queries are answered before the summer break.

Students will be following the timings of the normal school day i.e. 08.00-14.00, and are not required to wear school uniform but should dress smartly following the Sixth form dress code (attached). When not in lesson, students will have access to the study room and should use this time to experience how studying in the Sixth Form is different. We will meet all students in the Sixth Form Study Room on Monday 3rd July at 08.00am and before this they can relax in the common room.

I would like to take this opportunity to remind you that all students are required to attend an admission interview with their parent/s to review their subject choices on Thursday 31st August or Friday 1st September 2017. These appointments can be made with Mrs Penny Demetriou on 00357 2596 3888. We will need a copy of your son/daughter's examination results for their file and to assist in the interview. If you have any outstanding paperwork could you also bring this so we can process their admission if not already done.

If you have any queries or questions about the induction or the Sixth Form in general please do not hesitate to contact Mrs Dixon on 2596 2328 email sdixon@stjohnsschoolcyprus.com

Kind regards

Sarah Dixon
