	Maths	BTEC Sport	Biology	Psychology	French
	Product Design	Film Studies	Music	Chemistry	Physics
	Cambridge ICT	Engineering	Art	German	BTEC Health & Social Care
				BTEC Hospitality	
Choice					

What courses should you take?

This will depend upon your actual GCSE results and you will have been guided to a particular pathway during meetings. A minimum of 5 A*-Cs at GCSE level, usually to include English and Mathematics, is the minimum entry requirement to commence A Level studies.

Pathway 1— Four Level 3 courses (those with A*/A and one B only).

Pathway 2—Three Level 3 courses (B's and C's) or an AS if subjects are offering this and the student is capable.

Pathway 3—Foundation year (those that have not achieved 5 A*-C) to include GCSE resit. There could be the opportunity to study one Level 3 subject but will be on a case by case.

NB: Please note that Further Maths is available for students opting for Maths (4 lessons). In addition all students will be timetabled core PE lessons, PSHCE and encouraged to follow an enrichment programme.
