German	Cambridge Technical Diploma IT	BTEC Travel & Tourism*	BTEC H & S (1 Year)
Chemistry	Physics	Biology	Maths
French	BTEC Sport	History	English
RE	Geography	Product Design	Film Studies
Business	Art		

What courses should you take?

This will depend upon your actual GCSE results and you will have been guided to a particular pathway during meetings. A minimum of 5 Grade 5's at GCSE level, usually to include English and Mathematics, is the entry requirement to commence A Level studies.

Pathway 1— Four Level 3 courses (those with Grade 7's or above).

Pathway 2— Three Level 3 courses (with a Grade 5 or meeting the course requirements, whichever is higher) or an AS if subjects are offering this and the student is capable.

GCSE Resits— *Maths and English*

NB: Please note that Further Maths is available for students opting for Maths (6 lessons).

In addition all students will be timetabled core PE, SMSC (Social, Moral, Spiritual and Culture) and are encouraged to follow an enrichment programme.

*We currently cannot guarantee being able to offer Travel & Tourism due to staffing, but this will be confirmed by August 2017. We would therefore advise students to have a second choice if they intend to opt for this subject.
