

Student Uniform and Appearance Policy

Purpose of our School Uniform and Appearance Policy

The Department for Education (DfE) makes it clear that it is 'up to each school to set its own uniform policy' (DfE, November 2014). The purpose of our school uniform is:

1. To show that students are part of our organisation. Wearing it says 'we're all in this together'
2. To instil a sense of pride and to promote respect, so that students buy into our core values of 'Excellence, Learning and Leadership'
3. To give students a sense of belonging. This is vitally important in our context as students are often only with us for a short period of time
4. To help students to prepare for when they leave school and may have to dress smartly or wear a uniform
5. To improve learning by reducing distraction, sharpening focus on schoolwork and making the classroom a more serious environment, allowing students to perform better academically

Context of our schools

St John's and King Richard Schools exist for one reason; to serve the needs of secondary age children in British Forces Cyprus. We understand that service children may only be with us for a short period of time and for this reason we have ensured that our uniform is significantly cheaper than the UK average. We have also ensured that our uniform is befitting the climate in Cyprus. We no longer have summer/winter uniforms. It is up to parents/students which items from the agreed list they wear throughout the year. Our only stipulation is that the items chosen are from the agreed list (below) and are worn appropriately.

The Children's Society recently published a report (The Wrong Blazer; a time for action on school uniform costs, 2015) that shows the average cost of a state secondary school uniform in England is £316 per year. Not including our PE kit (which is due to change ready for September 2016), the average cost of our new uniform is approximately €160. At current exchange rates (May 2015), that is only £115. We have been able to ensure prices are low as we use a mix of best value UK suppliers and Cypriot manufacturers. We welcome feedback on issues relating to quality, cut, fit and material as we have a significant element of control over these due to the relationship we have with our manufacturer.

Purchasing our school uniform

Almost all items of uniform can be purchased directly from school. Order forms and sizing samples are available from both school receptions. Branded items are also available from the suppliers in BFC (Akrotiri and Episkopi).

Non-branded items can be sourced both in Cyprus or the UK by parents. For example trousers, shorts, shoes etc. However, before purchasing any items, please familiarise yourself with the rules for each item (below). In the past, parents have purchased items that are not suitable or not compliant and then have

been unable to return them to UK suppliers. We wish to avoid this situation and we hope that this new policy offers total clarity regarding our expectations. If in doubt, please contact the school.

Uniform expectations for students in Years 7-11

We expect all students to be smartly dressed in our agreed school uniform whilst at school and travelling to and from school. Students are expected to follow the uniform policy and if they do not comply with the policy they will be spoken to by staff. If the problem is not immediately rectified a number of options could be used:

1. The School could contact parents and ask them to bring in a suitable item of uniform
2. The students' parents could be contacted and asked to take the student home to get changed and returned to school (this does not count as a fixed-term exclusion)
3. The students could be isolated from the student population until the uniform infringement is rectified
4. After School or break time detentions could be set for persistent or one off infringements
5. An item of uniform can sometimes be lent to students from the 'loan' uniform held by the school
6. If problems persist, a student could be placed on 'Uniform Report' which would be checked every day by a member of Pastoral or Senior Staff and immediate detentions set for non-compliance
7. If problems persist, a student could be placed on 'loss of free time' which means they would spend their break times with a member of staff rather than with the student population
8. The Department for Education (DfE) states that, "The head teacher can discipline your child for not wearing the school uniform. Your child can be suspended or expelled if they repeatedly ignore the uniform rules." (DfE, November 2014). It is very uncommon for uniform related issues to get to this stage and we would strive to work with parents to avoid this course of action if at all possible

We will fairly and robustly enforce our uniform policy for the reasons clearly laid out at the start of this policy. Tutors, teachers, pastoral leaders and Senior staff will routinely check the standard of school uniform; this should not come as a shock when it happens. However, if there are medical or welfare reasons why certain items of uniform cannot be worn, please contact the school to inform us quickly.

All items of uniform should be clean and in a good state of repair.

- A hat/cap worn while walking to school is a very sensible idea. However, they should be removed when in school and kept in school bags/lockers. Ample shaded areas are provided for break times

KS5 Dress expectations

Students in our 6th Form have chosen to continue their study with us and therefore, by default, agree to our 6th Form Dress expectations. If students do not adhere to these expectations, they will be asked to return home to change, or parents will be asked to bring in a change of clothes. If problems persist, we will use the same measures as listed above for KS3/4 students.

The overall guiding principle is; dress and appearance should be appropriate for a work/business environment.

Students can, if they choose, wear a '6th Form School branded' hoodie or polo shirt. These are available to buy at a very reasonable cost from the school office.

Male students

- Trousers/chinos(no jogging bottoms)
- Collared shirt or polo shirt
- Tailored shorts (summer only)
- Shoes, pumps or sandals (must have a support at the heel). No flip-flops or trainers
- No beach wear

Female students

- Trousers (no leggings/jogging bottoms)
- Skirt/dress (no shorter than 2" above the knee)
- Shorts (in the summer), no shorter than 2" above the knee
- Smart top, blouse, shirt, polo shirt. No beach wear, strappy tops or strapless tops
- Shoes, pumps or sandals (must have a support at the heel). No flip-flops or trainers

All 6th Form students

- No extremes of fashion
- No obtrusive or offensive logos/slogans
- No visible piercings other than one pair of earrings. (studs or small hoops)
- Students should not wear headphones while walking around the school site

Parents are encouraged, when leaving Cyprus, to donate any unwanted school uniform to the thrift shops on camp.

In all matters relating to uniform, it is the school's decision as to what is and is not appropriate. We reserve the right to amend this policy in light of new fashion trends/issues.

The Headteacher may grant exceptions to any of the above, but only where this is required as a matter of sincere religious observance or strict medical advice and where this can be substantiated by a letter from the leader of the relevant religious community or medical practitioner.
