

NHS HEALTHCARE HEROES

NHS Healthcare Heroes is a collaborative session delivered by both Cardiff Metropolitan University and Cardiff University. The session explores the different roles within the NHS, what the role entails and what students need to study to achieve the roles. The session also covers how the NHS Bursary funding works in Wales.

The session is 40 minutes and can be delivered virtually during your school day or after school.

If you would like to book this session, please contact either Katie or Iwan below:
