

CC/SJS/EXAMS

13 April 2021

Dear Parents/Guardians

### **End of year assessments**

In order to ensure that we have used the best opportunities to gather evidence for Teacher Assessed Grades we are running an assessment period between May 17 and June 10. A provisional timetable of these assessments is attached. This timetable will be finalised once all the materials have been published by exam boards.

These assessments will be conducted and carried out in accordance with JCQ Guidance on the determination of grades for AS/A Levels and GCSEs for summer 2021.

During this period, the students are expected to be in school as normal and to wear school uniform (Y11) as they will be attending regular classes when they are not in an assessment. Students will receive a revision session with their teacher prior to each assessment.

We would appreciate if you could take the time to discuss the importance with your son/daughter the need to revise and prepare themselves for these assessments.

If you require any further information please do not hesitate to contact me.

Yours sincerely
