

CC/SJS/EXAMS

14 October 2021

Dear Parents/Guardians

MOCK EXAMINATIONS ARRANGEMENTS - GCSE

In order to prepare for the forthcoming GCSE examinations in May/June 2022, students will be required to sit GCSE mock examinations commencing on Monday 22 November 2021.

These examinations will be conducted and carried out in accordance with JCQ rules and regulations which will allow the students to be prepared for the actual GCSE examinations in 2022. In this respect a copy of the published "Information for Candidates" is herewith attached along with a copy of the examination timetable for your information. The students will also be briefed on examination procedures.

Students should be preparing for these examinations at home dedicating themselves to a planned revision timetable. It is worth remembering that in the unlikely event of teacher assessed grades in 2022 the mock results will, in part, inform a student final grade.

During this period, the students are expected to be in school as normal and to wear school uniform as they will be attending regular classes when they are not in an examination.

We would appreciate if you could take the time to discuss the importance with your son/daughter the need to revise and prepare themselves for these mock examinations.

If you require any further information please do not hesitate to contact me.

Yours sincerely

Christos Christofi
Examinations Officer
