Dear Parents/Guardians,

MOCK EXAMINATIONS ARRANGEMENTS GCE/BTEC

In order to prepare for the forthcoming GCE/BTEC examinations in May/June 2023, students will be required to sit GCE/BTEC mock examinations commencing Monday 5 December 2022.

These examinations will be conducted and carried out in accordance with JCQ rules and regulations which will allow the students to be prepared for the actual GCE examinations in 2023. In this respect, a copy of the published "Information for Candidates" is herewith attached, along with a copy of the examination timetable for your information. The students will also be briefed on examination procedures.

Students should be preparing for these examinations at home, dedicating themselves to a planned revision timetable.

We would appreciate it if you could please take the time to discuss the importance with your son/daughter the need to revise and prepare themselves for these mock examinations.

If you require any further information please do not hesitate to contact me.

Yours sincerely,
