Special Consideration Policy

Academic Year 2022-23

Purpose of the policy

The purpose of this policy is to identify the roles, responsibilities and processes and confirms that St. John's School (74089) agrees will *“submit any applications for special consideration where candidates meet the published criteria.”*

[JCQ 'General regulations for approved centres' Section 5.9]

The policy is annually reviewed to ensure that processes are carried out in accordance with current editions of relevant JCQ publications.

What is special consideration?

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control **at the time of the assessment**. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Special consideration can go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their examinations. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for an examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the examination. (JCQ's **A guide to the special consideration process**, section 1)

This publication is further referred to in this policy as [SC](#)

Eligibility for special consideration

Roles and responsibilities

Head of Centre

- Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ publication. [SC](#)
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies by the exams officer (EO).

Exams Officer

- Understands the criteria as detailed in [SC](#) to determine where candidates will/will not be eligible for special consideration.
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies.

Teaching staff and/or the SENCo

- Provide any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration.

Candidates (or parents/carers)

- Provide any medical or other evidence that may be required to determine eligibility for special consideration.

Applying for special consideration

Where eligible, special consideration will be applied for at the time of the assessment where candidates:

"Have been fully prepared and have covered the whole course but performance in the examination, or in the production of controlled assessment/coursework, is materially affected by adverse circumstances beyond their control." (SC, section 2).

For candidates who are present for the assessment but disadvantaged St. John's School must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment. ([SC](#), section 3).

EXAMPLES

- Where a candidate may arrive for an exam and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:

- the candidate will be kept comfortable and under centre supervision from the required time while appropriate arrangements are put in place for the candidate to take the exam in the best possible conditions.
- a judgement will be made on how the candidate's situation or disposition affected performance in the exam
- where appropriate and where eligible, special consideration will be applied for
- Where candidates may be affected by a minor disturbance in the exam room caused by another candidate (momentary bad behaviour, mobile phone ringing etc.), special consideration cannot be applied for.
- Where candidates may be affected by a major disturbance in the exam room (emergency evacuation etc.), special consideration will be applied for on behalf of all candidates
- Where a candidate takes multiple exams (three or more exams) timetabled for the same day and the total duration for those papers is more than 6 hours (GCE and Level 3 exams) or more than 5 hours 30 minutes (GCSE, Level 1 and Level 2 exams) including any approved extra time but not any time taken for supervised rest breaks, special consideration for an allowance on the last paper taken will be applied for.

- If a candidate is absent from a timetabled component/unit for acceptable reasons, and the centre can support this, special consideration will be applied for if the exam missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. ([SC](#), section 4)

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored and applied for where eligible. This might include, for example:

- other certification
- a short extension to coursework/non-examination deadlines
- submitting a reduced quantity of controlled coursework/non-examination (shortfall in work)
- lost or damaged work
- candidates taking an incorrect or defective question paper
- candidates undertaking the wrong controlled assessment or non-examination assessment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow SC and awarding body guidance to determine if, when and how an adjustment can be applied for.

Submitting applications for special consideration

Where a candidate or group of candidates is/are eligible for special consideration, applications will be submitted to the relevant awarding body following the published processes in [SC](#).

In cases of online applications for special consideration, the candidate/candidates will be informed when an application for special consideration is submitted to the awarding body (to ensure compliance with the UK GDPR/Data Protection Act 2018).

Evidence to support applications will be kept on file until after the publication of results.

Timetabled written exams

- For GCE and GCSE qualifications, applications for individual candidates will be submitted online by logging into the relevant awarding body secure extranet site and following the links to special consideration.
- The processes for submitting a single application to cover all exams affected *where a candidate is present but disadvantaged* and a separate application for each day on which exams are missed *where a candidate is absent from an examination for an acceptable reason* detailed in [SC 6](#) will be followed.
- For other qualifications, applications will be submitted online where the awarding body's secure system accepts these.
- **Form 10 Application for special consideration** will only be completed and submitted to the awarding body where a paper application is specifically required by the awarding body.
- For cases involving groups of candidates, applications will be made online where the awarding body's secure system accepts group applications or form 10 will be completed.
- **Form 14 Self certification form** (Self certification for candidates who have missed an examination) will only be completed by a candidate where circumstances warrant this and will not be used where the centre knows the candidate was ill.

Internally assessed work

- Where appropriate, applications will be made online where the awarding body's secure system accepts them or form 10 will be completed and submitted to the awarding body.
- Where a short extension to a work submission deadline for an individual candidate is being requested, the awarding body will be contacted directly.
- Where an application relates to a shortfall in work for an individual candidate, this will be submitted online or by completing form 10, dependent on the awarding body.

Post assessment adjustments – vocational qualifications

- Where the learner's circumstances are eligible, form 10 or **form VQ/SC Application for special consideration Vocational qualifications** will be completed and submitted to the awarding body.

Private candidates

- Any private candidate entered by the centre must liaise with the exams officer (not the awarding body) regarding any application for special consideration.

Late applications

- If, after the publication of results for a particular exam series, a claim is made that special consideration was not applied for at the time of an assessment where a candidate was eligible, the claimant will be informed that late applications will only be accepted by an awarding body in the most exceptional circumstances and where a member of the senior leadership team is able to produce compelling evidence to support a late application.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
