9th December 2022 | Issue 14

Dear Families,

As we approach the final week of this term, our whole school attendance stands just below our collective target of 95%. Whole school attendance has held steady in recent weeks. I am grateful to the partnership that exists between student—school—home that has ensured a much improved attendance when compared to this time last year.

The final week of term has historically been a week where attendance can fall - lessons will continue as normal throughout the final week for all years, whilst Year 11 and 13 continue their important mock examinations.

Reflecting upon this week we have seen a range of sporting opportunities for our students, who have successfully competed against local schools in both football and netball. Uptake in sporting fixtures continues to impress, with over 50 students across all years participating in teams and representing St John's School. Participation in each fixture is matched by our community attendance and the sense of pride that is growing in our school.

On Tuesday we were joined virtually by Mandy Hickson. As you may have seen on Facebook, Mandy was one of the first female fast jet pilots with the Royal Air Force. Mandy's assembly was inspiring for all in attendance, as she encouraged students to dream, believe in their ambitions and go and do it!

On Wednesday, Mr Dixon and I had the opportunity to join students in Year 7 for hot chocolate and biscuits. It was a great opportunity to discuss student impressions of their first term and how well they have settled. I was encouraged by the shared Year 7 student sentiment as to how 'kind' they find one another. Students explored each of our whole school improvement priorities and commented upon the progress we are making and their perception of the next steps our school must take in their delivery. Students cited improvements in English, Maths and Science, commenting upon improving challenge through "lessons that are well prepared with different work to push us hard". Students reflected upon the increase in expectation around homework, although cited some issues they were having, providing me with a to do list to ensure the issues are quickly fixed! Students overwhelmingly felt safe at school and were able to articulate what they would do should they ever feel unsafe in school, out of school and/or online.

Looking ahead to next week, I relish the opportunity to meet with many of you at our Christmas Carol Concert. The concert is being held at the Episkopi Station Church on Tuesday 13th December at 1800hrs and is a joint endeavour with Episkopi Primary School.

**Mr Colin Guyton** Acting Headteacher

## Mock Examinations

This week the mock examinations for Year 11 and 13 got underway. The purpose of these exams is to ready students and our exams team for what the real exams will be like come May 2023.

Our students have approached the exams extremely well, conducting themselves impeccably in the exam hall.

## Year 11 Mock Examination Timetable

The mock exams continue into next week. Students have received their individual timetables, but the schedule is outlined below for Year 11.

EXAMINATIONS TIMETABLE GCSE MOCK EXAMS 2022-2023

## Mock Examination Results Release Arrangements

Next summer students will take their exams in May and wait until August before they find out their grades. This can be a time of much anticipation and one that I would like to replicate in relation to the mock results.

On 13<sup>th</sup> January 2023 at 13.30 (during period 5) students in Year 11 and 13 will be given their mock exam results in the same way that they would receive them in the summer. Each student will collect an envelope from a table outside the exams room, this will contain all of their results for each subject. Prior to this date, the students will not receive any feedback from their teachers about their mock exams. After the results day, staff will of course be allowed to share the papers and discuss responses with the students. These conversations will be essential in providing targeted support in the lead up to the real event. This will also give students the opportunity to take stock of where they are and what they need to focus on going forward.

Parents and Guardians are cordially invited to attend and join your child in receiving results at 1330hrs. The Senior Leadership Team, Mrs Stonier and Mrs Bonar will be available to discuss your child's results and any next steps if needed. If, after the results, you wish to take your child home with you then you will be able to sign them out early.

## Exam Certificates—Summer 2022

We have now received the examination certificates from the Summer 2022 exam series.

Students who are on island are invited to collect their examination certificates from the Exams Office from 0900 hrs on Monday 12th December 2022. For students who have left Cyprus, your exam certificates will be posted to you next week, using the forwarding address you provided upon leaving.

For any questions and/or queries regarding your exam certificates, please contact our Exams Officer, Mr Christos Christofi, by email: [Christos.Christofi@modschoools.org](mailto:Christos.Christofi@modschoools.org)

## BTEC Exams—January 2023

Students following BTEC Courses at Key Stage 5 will be sitting their real BTEC Exams in January 2023, as per the timetable below. Students have already received their individual timetable. These exams are final exams and contribute to their overall grade in their respective BTEC subject.

### Exams Timetable (BTEC)

St John's School 

#### JANUARY 2023

Date	Start	Exam Level	Time Allowed	Board	Option Code	Component

## AUCTION PRIZES – CAN YOU HELP?

The St John’s School Christmas Auctions take place during the last week of term where students have the opportunity to use their reward points to bid for prizes. Some of the prizes which students bid for are donated by a wide variety of businesses from across the local community with a connection to the school. Previously, we have received donations of jewellery, electronic items, beauty products, as well as gift vouchers that offer students the opportunity to enjoy a restaurant meal, a hair-cut and beauty treatments.

If you feel that you are able to donate a prize for our auction, we would be extremely grateful and encourage you to make contact with Mrs Dakin by emailing [angela.dakin@modschools.org](mailto:angela.dakin@modschools.org).

## Headteacher's Surgery

Due to Friday 16th December being the last day of this term, there will not be a Headteacher's Surgery. The next Headteacher's Surgery will be on Friday 6th January 2023 between 0900-1000 hrs. Further details will be shared in next week's newsletter.

## Year 10 Mathematics

On Monday 12th December all of Year 10 will have an end of term assessment in Mathematics. These will be taken in lesson time and will give an indication of what tier, higher or foundation, they need to be working towards. At this early stage of the Key Stage 4 programme, the tier of paper students will sit is not finalised until Year 11 as we are keen to ensure our students are not limited upon what they can attain in the GCSE examinations.

The assessment will be on the units they have covered this term.

If you have any questions, please email [kimberley.fox@modschoools.org](mailto:kimberley.fox@modschoools.org)
