Dear Parents/Guardians,

MOCK EXAMINATIONS ARRANGEMENTS - GCSE

In order to prepare for the forthcoming GCSE examinations in May/June 2024, students will be required to sit GCSE mock examinations commencing on Friday 01 December 2023.

These examinations will be conducted and carried out in accordance with JCQ (Joint Council for Qualifications) rules and regulations which will ensure the students are fully prepared for the actual GCSE examinations in 2024. In this respect, a copy of the published "Information for Candidates" is herewith attached, along with a copy of the examination timetable for your information. The students will also be briefed on examination procedures.

Students should be preparing for these examinations at home, dedicating themselves to a planned revision timetable.

During this period, the students are expected to be in school as normal and to wear school uniform as they will be attending regular classes when they are not in an examination.

We would appreciate it if you could please take the time to discuss the importance with your son/daughter the need to revise and prepare themselves for these mock examinations.

If you require any further information please do not hesitate to contact me.

Yours sincerely,

Christos Christofi
